Undergraduate Residency Requirement

- The University of Connecticut strongly believes that living on-campus for your first year as an undergraduate student provides a close connection to the campus community and campus resources. This connection supports our students as they transition to college, and increases their chances for success.
- All first time, first year undergraduate students are required to live on-campus.
 - If you are an international student who participated in Education Abroad in your home country for spring 2022, the residency requirement is waived for fall 2022
- Please visit our website for more information about this policy:
 - <https://reslife.uconn.edu/residency-requirement-information/>
